西螺大桥

Hsilo Bridge

畫然,钢的灵魂醒着 严肃的静铿锵着

西螺平原的海风猛撼着这座 意志之塔的每一根神经 猛撼着,而且绝望地啸着 而铁钉的齿紧紧咬着,铁臂的手紧紧握着 严肃的静 于是,我的灵魂也醒了,我知道 既渡的我将异于 未渡的我,我知道 彼岸的我不能复原为 此岸的我 但命运自神秘的一点伸过来 一千条欢迎的臂,我必须渡河

面临通向另一个世界的 走廊,我微微地颤抖 但西螺平原壮阔的风 迎面扑来,告我以海在彼端 我微微地颤抖,但是我 必须渡河

矗立着,庞大的沉默 醒着,钢的灵魂

Hsilo Bridge

西螺大桥

Loomingly, the soul of steel remains awake. Serious silence clangs.

Over the Hsilo Plain sea winds wildly shake
This design of strength, this scheme of beauty; they shake
Every nerve of this tower of will,
Howling and yelling desperately.
Still the teeth of nails bite, the claws of iron rails clench
A serious silence.

Then my soul awakes; I know
I shall be different once across
From what on this side I am; I know
The man across can never come back
To the man before the crossing.
Yet Fate from a mysterious center radiates
A thousand arms to greet me; I must cross the bridge.

Facing the corridor to another world,
I tremble a little.
But the raw wind over the Hsilo Plain
Blows against me with the tidings
That on the other side is the sea.
I tremble a little, but I
must cross the bridge.

And tall looms the massive silence, And awake is the soul of steel.

七层下

Seven Layers Beneath

一时松风退涛,落日在内战以西 残雪兀自封锁着边界 秃柯瘦成听觉的神经 肃然的寒气中,灌木从在倾听

日落时, 坏脾气的乌鸦 在那边的桦树林中咒骂 骂米德将军断剑的雕像 百里内, 惊动多少耳朵

怪石如颜,鬼面之后有鬼面 不久冷雾泛起,夜空下 露滴侵蚀铁炮的骨髓 锈青了的寂灭中,爬着霉绿

内战之后,血斑皆酣然 酣然,铜号,酣然,失蹄的嘶马 内战之后,一整幅战场 在静听一只迟归的鸦 天狼在雉堞的齿隙升起 累积的时间感,全部的重量 向肩胛骨最酸处压下 夜色泻下,沿着谁的冰颊

踏。踏七层死去的秋 七层枯脆在履底悲泣 踏碎一些心形的图案 一些多情的执着,一些徒然

太上无情。古战场的浪子啊你没什么往事,没有一星星新大陆太新,没有你的往事往事在落日以西,唉,以西

—— 盖提斯堡战场魔鬼穴

Seven Layers Beneath

七层下

The wind now ebbs among the pines. The sun sets West of the Civil War. Only snow garrisons the frontier. Thin are the bald branches, like starved nerves of the ear. In the chilled hush the shrubs are listening.

At sunset, the ill-tempered crow in the birch trees Begins to curse, in dissonant blasphemies, General Sedgwick with the broken sword. Startled and strained are the statues ears.

Featured are the rocks; masks hide behind masks. Soon the cold fog will rise, and under the biotite sky The dews will nibble the marrow of the guns In the rusted silence where mildew creeps.

After the war asleep are the stains of blood. Mute are the bugles, must the neighing horses that shied. After the war the vastness of a battlefield Is listening to a lone, last crow.

Then Sirius rises from between teeth of battlements. The weighty sense of Time cumulated falls On my fatigued collar bone. Also falls The night, slippery down my icy face.

Softly I tread. Softly, on seven autumn dead, Seven layers of leaves, crisp and sobbing beneath the shoes, Till trod and broken lie all the heart-shaped designs, All the insistence and futilities.

WISDOM SURVIVES PASSION. Ah, exile roaming the battlefield, There is no past for you, no, not a bit.

New Continent is still too new, past there's none for you.

Your past is west of the sunset, west of it.

— Devil's Den, Gettysburg

钟乳岩

Smoke Hole Cavern

史前的童贞夜咽下了我们 无首无尾的黑暗 生之前,死之后 冰涧漱着细细的地下水

打到冥川上游 山的盲肠不通向何方 日月都留在洞外 谁的手中一枝电筒

拔也拔不开的深邃 仿佛凝固的梦境 脚下是珊瑚丛 千盏琳琅是吊灯

石乳下降,石笋上升 盘古的白须缓缓地长着 千载以厘,万载一分 升降之间虚悬着永恒 永恒,永恒!缓降的石乳 对更缓的石笋耳语: "何必如此匆匆地相约 我们又何必要终于相遇 在这石椁神秘的世纪?"

百年前,南军在洞里藏金 向导说,更早更早以前 戴羽绘面的红酋长 在洞口熏炙鹿肉

岩石也有音乐啊,他说 且扬杖击石 向琳琳珑珑的雕塑敲起 石器时代的流行乐

—— 西弗吉尼亚·烟洞岩

Smoke Hole Cavern

钟乳岩

Pre-historic virgin night devours us, Such a headless, tailless darkness Before our life and after our death, Where, subterranean, blind, cold, Gargles the trickle of a stream.

We grope upstream along the Lethe
To find the mountain's appendix lead
Nowhere, vaguely aware the sun
and moon

Are left revolving somewhere outside. A feathered and painted In whose hand a flashlight Indian chief

In vain tries to push aside
The impenetrability of it all,
Where a whim-dream has fossilized
Reefs of coral under our feet
And candelabra overhead.

So stalactites fall and stalagmites rise:
So slowly grow Creation's breads.
An inch's fall, an inch's rise
While outside, rise and fall
the dynasties.
Eternity's where they never meet.

Eternity, eternity! The [stalactites]¹
Whisper to the stalagmites below:
"No hurry for us to grow and meet,
Who knows how many centuries
will pass

In this mystery of a sarcophagus?"

A century ago the Confederates,
The guide says, here hid their gold.
And much, much earlier than that,
A feathered and painted
Indian chief
Roasted his venison in the cave.

Rocks have their music too, he says
And beats them up and down
And beats them left and right
And upon such a subtle sculpture
Strikes up a pop tune of the
Stone Age.

— Smoke Hole Cavern, West Virginia

[「]原文为"stalagtites"

当我死时

When I Am Dead

When I Am Dead

当我死时

When I am dead, lay me down between the Yangtze And the Yellow River and pillow my head On China, white hair against black soil, Most beautiful O most maternal of lands, And I will sleep my soundest taking The whole mainland of my cradle lulled By the mother-hum that rises on both sides From the two great rivers, two long, long songs That on and on flow forever to the East. This the world's most indulgent roomiest bed Where, content, a heart pauses to rest And recalls how, of a Michigan winter night, A youth from China used to keep Intense watch towards the East, trying To pierce his look through darkness for the dawn Of China. So with hungry eyes he devoured The map, eyes for seventeen years starved For a glimpse of home, and like a new weaned child He drank with one wild gulp rivers and lakes From the mouth of Yangtze all the way up To Poyang² and Tungt'ing³ and to Koko Nor⁴

灰鸽子

Gray Pigeons

废炮怔怔地望着远方 灰鸽子在草地上散步 含含糊糊的一种 诉苦, 嘀咕嘀咕嘀咕 一整个下午的念珠 数来数去未数清 海的那边一定 有一个人在念我 有一片唇在惦我 有一张嘴在呵我 呵痒下午的耳朵 下午敏感的耳朵 仰起, 在玉蜀黍田里 盛好几英里的寂寞 向晚的日色,冰冰 弥满珍珠色的云层 灰鸽子在废炮下散步 一种含含糊糊的诉苦 含含糊糊在延续

Gray Pigeons

灰鸽子

The old guns muse and look afar. Gray pigeons saunter on the lawn; An obscure, subdued complaint Now and then is heard to coo and croon. On and on through the afternoon A rosary's told and told and told, The secrets of beads still unknown. I have a hunch across the sea There's someone murmuring my name, Some unseen lips tickling my ear. Itchy's the ear of afternoon; The sensitive ear of early dusk Turns up, with fields full of corn, And holds a loneliness for miles. The slow sun does more to chill than cheer, Dimmed further bt pearly clouds. Under the old guns gray pigeons moan, A complaint most inarticulate, Which seems to stammer and hesitate Off and on through the afternoon.
